

9<sup>th</sup> September 2016

Dear Parents

## Keeping Children Safe Online Workshop

We are delighted to invite you to the Keeping Children Safe Online Workshop for parents taking place on Tuesday 13<sup>th</sup> September from 8.15am in the Read Hall. We are lucky to have award-winning Stella James, Managing Director of Gooseberry Planet, to run this informative session for parents.

The session will cover the follow subjects:

- Facebook, Instagram, google, YouTube etc. privacy settings
- Live gaming devices
- Purchasing of apps
- Managing apps
- Managing your child's internet usage
- Is your child addicted?
- Being a parent and saying "no"
- Which sites are they using and which sites your child needs to stay away from
- Live video streaming
- Broadband settings

The talk will match up with the curriculum your child covers at school and Town Close have subscribed to the game based, e-safety education programme offered by Gooseberry Planet.

We hope you can join us for an hour-long session on Tuesday morning after you drop off your children; however please note that we regret **parking will not be available** on site. Tea, coffee and biscuits will be provided!

If you intend to attend please email me at [thughes@townclose.com](mailto:thughes@townclose.com) to confirm.

Yours sincerely

Trevor Hughes  
Head of Computing
