Dear Parents

NURSERY SWIMMING - THURSDAYS

The children will soon be starting their school swimming lessons. They will swim in small groups, and will start in the small learner pool, progressing to the shallow end of the large pool (1m deep). A member of staff will always accompany the children in the pool.

Your child will require a navy blue swimming costume/navy blue swimming trunks, a swimming hat (all available from Schoolblazer), a towel, goggles and swimming bag which can be any colour or type. All items need to be clearly named, including your child's underwear, please. The school will provide all swimming aids and toys.

Please complete and return the slip below as soon as possible to give us an indication of your child's ability in the water. We will then have some idea of their previous experience and the kind of support and teaching that they may need. Once we have all this information and we are ready to begin their lessons, we will let you know so that you can send the children to school with their swimming bags.

Yours sincerely

Melanie Harries
