

Wednesday 4-5pm

Make the most of the pool facility at Town Close School and swim for fun with your child.

Build your child's water confidence while they play with our floats and sinkers, watched and guided by the school's swimming teacher. A lane is available for adults.

**£25 for the term; drop-in
£2.50 a swimmer**

Non-swimmers must be accompanied in the water by an adult who can swim; if children can swim 25m and are year 2 and above, the adult need not be in the water. To join, please bring the form to your first session.

Contact Tel No/email if we need to cancel the session:

RULES/SWIMMING RESTRICTIONS:

- 1) Swimmers who have passed the **25 metre** certificate may swim unaccompanied **but with a parent/carer at the pool side**
- 2) Each non-swimmer must be accompanied by an adult (proficient swimmer) in the water
- 3) Siblings not at Town Close may swim with their families. Guests may be allowed to swim if space permits (£2.50)
- 4) For insurance reasons we have to restrict the number of people in the pools to a maximum of 32 in the large pool with one lifeguard and an additional 8 if we have two lifeguards. At times of peak demand or single lifeguard attendance, we will need to limit members' time in the pool.

I will comply with the above rules. I include my £25 payment for the Autumn term 2016
