

23rd September 2016

Dear Parents

Africa Alive Trip

We are very much looking forward to visiting Africa Alive on Tuesday 27th September. We will be leaving school by 9:15am (following a safety briefing) and will return to school in time for stop and collect.

The trip has been planned to enhance our topic on 'humans and animals'. During the day we will be observing and finding out about a vast range of animals as well as taking part in a discovery workshop where the children will be able to closely interact with different animals. We will also be taking a ride on the land train which we are sure the children will enjoy!

Please use the checklist below to help ensure that your child is fully equipped to have an educational and enjoyable day. Please can your child bring the following, if they are not already in school:

- Navy jogging bottoms
- Navy fleece
- Navy waterproof (the lightweight jacket if you have one)

Mrs Ing and her kitchen staff will be providing the children with a packed lunch, snacks and plenty of water for us to take. If your child suffers from travel sickness, please ensure that they have had any travel sickness medication required before they arrive at school.

Please note that the children are still required to come to school wearing their full school uniform on the day. The children will be wearing their school trainers for the visit.

If you have any questions regarding our trip to Africa Alive please do not hesitate to speak to one of us.

Yours sincerely

Mr Fisher, Mrs Wilson and Mr Fereday
