Dear Parents

### **Musical.ly App**

I would like to draw your attention to the potential dangers of the popular Musical.ly App.

There have been safeguarding concerns regarding the App where inappropriate adults have tried to contact children. The App is designed to create fun music videos and can be used safely with private settings in place as outlined in the enclosed article or you may choose to not allow your child to download the App on your home devices.

We do not use the App in school.

Yours sincerely

Mr Trevor Hughes  
Head of Computing
