

16th December 2016

Dear Parents

Religious Studies Common Entrance Project

Your child has recently been working on their Religious Studies Common Entrance project, on the role of the Salvation Army in the community, during lessons and prep. The project should now essentially be complete.

Next term the children will be asked to insert photographs from the various trips we have made before submitting an electronic copy for me to mark. Once corrections and suggestions have been taken into account the completed projects will be sent to your child's intended senior school, for marking as part of their Common Entrance, just after the half term holiday.

Please can I ask that over the holidays you spend some time with your child ensuring that they have completed their project. Going through it with them as a fresh pair of eyes will also undoubtedly help in spotting areas for development! Your child should be able to access their project by accessing their 'onedrive' account on their iPad. I have attached the guidelines the children have been working from to help you understand the structure of the project. Further information about the project can be found on Firefly. If you have any questions about the project or the Religious Studies Common Entrance, then please do not hesitate to contact me.

I wish you all a Happy Christmas with your families.

Yours sincerely

Stuart B. Coulthart
Deputy Head
