Dear Parents

Year 4 Production *Oh What a Knight*

As I'm sure you are aware all the Year 4 children have been working extremely hard in preparation for the Year 4 production of 'Oh What a Knight', which is now starting to come together. The costume store has been fully raided, but there are still some items needed to help finish off the costumes in time for the first dress rehearsal early next term.

Please find attached a list of children and those items required. All of the items listed will be able to be sourced either from home, online or from well-known value clothes shops. The items need to be brought into school by Wednesday 11th January in a labelled carrier bag together with two spare coat hangers. If you need any further help, then please contact me and I will be more than happy to advise and give guidance where needed.

Can we please also ask that you carry on reading through your child's lines with them. Although they have been learning them for a while now, it has become apparent that some children still need reminding and prompting. We are hoping that, with the rest over the Christmas holidays and some extra time learning lines, the children will return refreshed and ready for the production ahead.

Many thanks in advance for your help in this area.

Yours sincerely

Miss C Goddard
