3rd February 2017

Dear Parents

Year 6 Mathematics Challenge

We have entered two teams of two children into the Norwich Schools' Year 6 Mathematics Challenge, taking place on Friday 10th February at Langley Preparatory School at Taverham Hall, and your child has been selected as a member of the squad. The teams will compete against other rival pairs, drawn mainly from schools in Norwich, in three sections of questions. Further details of the event, organised by DCBEAGLE Challenges, can be found by clicking [here](#).

We will be departing after an early lunch and expect to return to Town Close around 3.55pm. Parents are most welcome to attend the event, although it may not be the greatest spectator sport! The prize giving will be at approximately 3.10pm followed by light refreshment, provided by the host school.

Should you have any queries about this visit please do not hesitate to contact me at school. It will hopefully prove to be an exciting and thought provoking afternoon.

Yours sincerely

Mr. S. Lawry
Head of Mathematics
