Dear Parents

Vocab Express Global Challenge 2017

I am writing to tell you that we have entered the Vocab Express Global Challenge, which takes place from 6th to 10th March.

The children in Years 6, 7 and 8 have been able to access the Vocab Express site for a few months now, and the Challenge is designed to be a fun online competition for schools from around the world. It works in a similar way to the online Maths challenges that the children have already participated in.

We realise that our pupils are very busy and I would therefore emphasise that participation is completely optional and that the children can do as little or as much as they like. They will be able to familiarise themselves with the material next week before the Challenge proper begins on 6th March.

As with all our online activities, the children's identities and passwords are protected, and they should not share their username or password with anyone.

It should prove to be an interesting and stimulating language-learning experience. Please feel free to contact me if you have any questions.

Yours sincerely

Mr S. Hewitt
