

24<sup>th</sup> February 2017

Dear Parents

### **Year 3 Victorian Day**

As stated in the School's calendar, on Tuesday 28<sup>th</sup> March the Year 3 pupils will be enjoying a Victorian Day. They will be spending a very exciting day in the company of a Victorian couple, Miss Susan and Corporal Jack Stevens, as part of our history topic.

To add to the excitement and authenticity of the day we are asking the pupils to come to school dressed as a Victorian. We have included some guidelines to help with the making of costumes, but this is by no means definitive.

The day is based around Victorian life, providing a valuable insight into the experiences of children and the wider society in Victorian times. Throughout the day the pupils will work in supervised groups, participating in activities such as a Victorian school lesson and a quiz. There will also be a keep fit drill, which involves all of the children so please would you ensure that the costumes are both practical and child-friendly!

During the afternoon session the children will prepare a variety of entertainment activities and have the opportunity to try some Victorian games in preparation for a visit from Queen Victoria!

We look forward to an educational, fun and action-packed day, which we hope will prove to be very popular with the children. Should you have any queries about the day please contact me in school. Many thanks in advance for your help in making the costume for your child.

Yours sincerely

Daniel Avenal  
Head of Years 3&4
