Dear Parents

Tennis Coaching

I am pleased to offer your child the opportunity to receive expert tennis coaching from Martin Smith, Head Performance Coach at Easton College Tennis Academy, through the Summer term. The coaching will be available to all pupils in Year 3. Coaching sessions will be held at lunchtime, in the sports hall, on either a Wednesday or Friday depending on which group they are allocated to. You will receive confirmation of these upon application.

The sessions will start on the first week following our Easter holiday and will hopefully run every week until the end of term, although there will be occasions when the sports hall will be unavailable. However, rest assured that the children will receive plenty of high quality sessions.

The cost of the sessions is £25 per term. If you would like your child to participate in the course, please return the slip with payment of **£25** to the School Office as quickly as possible. Please make cheques payable to *Town Close Educational Trust Limited* and write your child's name, class and 'Tennis' on the back. Slips must be returned by **Friday 17th March**.

We are extremely privileged to be able to offer such good quality coaching and I hope your child will be able to benefit from this exciting opportunity.

Yours sincerely

Mr M. Woods
Head of Physical Education and Activities
