Dear Parents

Year 8 Field Trip to Holt Hall

The Year 8 residential field trip to Holt Hall will take place early in the Autumn term, from Wednesday 6th to Friday 8th September 2017.

The visit is a vital one for Year 8s as their main task on the trip is to carry out a study of the River Glaven, with the data collected forming part of their CE geography project. This project makes up 20% of their final Common Entrance geography assessment and is sent to their senior schools for marking.

The course at Holt Hall has been established for many years and is run by experienced and qualified staff. An element of science field work is also included and this has proved very successful in the last few years, enabling the children to make a detailed study of the habitats at Holt Hall and have a practical application of the ecology aspects of the Common Entrance science syllabus.

The total cost of the trip is £140, which includes accommodation, meals, transport and tuition. Please could you complete the slip attached and return it to me, via the Prep Office, indicating the method of payment you have chosen and attaching a cheque if applicable. Payments can be made by the following methods:

Cheque payment: made payable to *Town Close House Ed. Trust Ltd*

Bank Transfer: A/c no: 22091003 Sort Code: 40-51-62

Card Payment: Via 'Parent Login' on the School's website

(please note that a 2.25% charge is applicable for credit card payments)

Yours sincerely
