

Friday 30th June

Town Close School Main Field

Sports Day

2017

TOWN CLOSE SCHOOL

NORWICH'S FINEST PREP SCHOOL • FOR GIRLS & BOYS • 3-13 YEARS

YES, I CAN!

It is with great pleasure that we welcome you to our Main Field for the annual Town Close Sports Day.

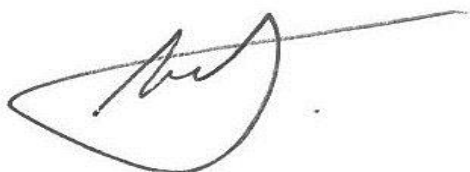

We are delighted to announce that this inclusive event ensures every single one of our pupils, from Year 3 to Year 8, participates in at least one individual event and one team event. All pupils will be able to feel the pride of representing their house and contributing to the final outcome. In all age groups there are separate competitions for boys and girls in each year group apart from the year 7 and year 8 girls which have combined to compete as under 13 girls.

At the beginning of the year I led an assembly with the message of "Yes, I can!" It was based on some of the incredible achievements we had seen during the Olympic and Paralympic summer games. We wanted the children to understand that we can all achieve. It may be hard, with obstacles in our way, but with support and perseverance it can be done. Since that assembly there have been excellent examples of such spirit and determination in professional and amateur sport such as with the Brownlee brothers and also in the London marathon. I hope you will see examples of that positive "Yes, I can" attitude today.

The following guidelines will help everyone enjoy the day. Visitors are free to record the events of the day using video and/or photography but these images identifying any children other than your own may not be posted online. In the interests of child protection, all visitors **MUST** wear and clearly display their identity badges. Mr Hewitt will be at the announcer's desk with a small supply of spare badges for additional guests. Parking is, as directed, to be confined to the left hand side of the field. Please do not bring dogs on the playing field as they pose obvious health and safety risks (Guide dogs are welcome). Please resist the temptation to run alongside competitors during track events and instead take up a good position outside of the track. When watching any field events please stay in the areas specified by the organising staff. This will ensure your safety and help our officials.

For the children today is all about team competition, the thrill of representing their house. It is important to recognise that by competing, every pupil is contributing to the team result and therefore, irrespective of final individual positions, **ALL** pupils deserve great credit for their efforts. I ask that pupils and parents support and respect all the competitors.

On behalf of all of the staff at Town Close, I wish you an enjoyable day and a restful summer with your families and friends when the time comes.

Mr M. Woods
Head of Physical Education and Activities
