

22nd September 2017

Dear Parents

Africa Alive Visit

We are very much looking forward to visiting Africa Alive on Thursday 28th September. We will be leaving school at around 9.00am (following a safety briefing) and we will be returning to school in time for 'Stop and Collect'.

The school trip has been planned to enhance our topic of 'Humans and Animals'. During the day we will be observing and finding out about a vast range of animals as well as taking part in a discovery workshop where the children will be able to interact closely with different animals. We will also be taking a ride on the land train which we are sure the children will enjoy!

Please use the checklist below to help ensure that your child is fully equipped to have an educational and enjoyable day. Please can your child bring the following, if they are not already in school:

- Navy jogging bottoms
- Navy fleece
- Navy waterproof (the lightweight jacket if you have one)

Mrs Ing and her kitchen staff will be providing the children with a packed lunch, snacks and water for us to take. We would be grateful if you could let your child's class teacher know if they suffer from travel sickness.

Please note that the children are still required to come to school wearing their full school uniform on the day. The children will be wearing their school trainers for the visit and hi-visibility vest will also be worn at all times.

If you have any questions regarding our trip please do not hesitate to speak to one of us.

Yours sincerely

Mr Fisher, Mrs Wilson, Mrs Brown and Mrs Bush
