

[www.polar-circle-marathon.com](http://www.polar-circle-marathon.com)

In a few weeks I will be running a marathon and a half in the Polar Circle when I take part in the Polar Bear Challenge at the **Polar Circle Marathon** on the 28<sup>th</sup> and 29<sup>th</sup> October 2017.

I thought I should look to do it for a good cause rather than just a personal challenge and as my little boy, Finley Avery - Year 1, spoke very highly of the good work being accomplished by the Town Close charity of the year following their recent visit to Town Close School, I have decided to raise money for the **Special Olympics Norfolk**.

If you would like to sponsor me for this excellent charity, please visit:

<http://uk.virginmoneygiving.com/PolarCircleMarathon>

All proceeds go to the charity and will benefit everyone associated with this excellent cause.

Thank you to for any donation you can make, it will be much appreciated.

Steve Avery
