Dear Parents

School Medicals

As part of our medical screening service, our school doctor, Rachel Carroll, conducts a basic medical check on children when they join Reception and again when they join Year 3 or if they are new to Year 1 or Year 2 during this time. The children are tested for growth, sight and hearing. Although your child may have had the National Health screening at school last term, this information is not shared with us.

Medicals for the Reception children will commence on the 16th January and will take place alternate Tuesday's and Wednesday's until all have been completed.

Following the medical you will receive a letter from Dr Carroll. In the meantime, I would be very grateful if you could complete and return the slip below as soon as possible.

Yours sincerely

Melanie Harries

Please return to: Dr Carroll, School Doctor c/o the Pre Prep office (Ms S McCloy)

Name..... Form.....

Does your child wear glasses? Yes/No

Has your child had an eye test with an optician in the last 12 months? Yes/No
