12th January 2018

Dear Parents

Geography Project

I have recently read the Year 8 pupils' geography projects. I have given each child written feedback, which they have all received in person. They now need to make their amendments and hand it in for marking by the 9th February 2018 (final day before half term). Their marked project will then be sent to their prospective senior school.

I would be grateful if this deadline is closely adhered to as I have to mark them all and then send them off before 5th March 2018.

The data analysis section is particularly difficult and I will, therefore, be available to give pupils support on Monday and Tuesday lunchtimes (from 12.45pm – 1.20pm) until the half term break.

Yours sincerely

Mr. A. Smith
Head of Geography
