

20th April 2018

Dear Parents

Team Selection for F24 Electric Car Races

Thank you for taking an interest in the F24 electric car project. As mentioned before, we plan to race at two events at the Rockingham Motor speedway.

Your child is part of the team for the first event on Wednesday 2nd May.

The next two meetings of the Friday after-school club (20th & 27th April) will be for this first team in order to help prepare for the event.

Further details of the trip will follow next week. For now, a few brief points are important:

- We will travel by school minibus
- There is no charge for the trip
- We must make an early start – **leaving Town Close at 6.15am on the 2nd May** – and are not likely to be back at school before 7.15pm.
- A timetable for the event is at <https://www.greenpower.co.uk/events/rockingham-season-opener> for anyone considering attending, and a good film clip of a similar (if larger) F24 race at the same venue is on the Greenpower homepage at <https://www.greenpower.co.uk/>.

Yours sincerely

Matthew Buck
