

8th June 2018

Dear Parents

The Town Close Charity Triathlon

This year we have decided to try a new summer fundraising event 'The Town Close Charity Triathlon'. This exciting and energetic day will take place on Monday 25th June and all the pupils who attend Town Close, from Nursery right through to Year 8, plus any staff who are willing and able, will run, swim and ride a bike at some point throughout the day. The aim is to raise as much money as we possibly can for this year's chosen school charity "Special Olympics Norfolk". Please note that it will also be a non-uniform day too for which children will be asked to make a donation of £1.

Parents are most welcome to come along and support their child/children as they participate in the three varied disciplines (a timetable will follow with more precise timings), though we regret parking will not be available on site.

The Year 8 pupils will be running some fete type stalls, including speed stacking and a coconut shy, throughout the day for the younger children to spend their time and money, affording them the opportunity to have fun and, in some cases, win prizes. The children will also have the opportunity to take part in other fun based activities which will take place on the front lawn outside the main house. Therefore, your child will require some pocket money for the day.

Refreshments will be available both in the morning and afternoon and 'Ronaldo's Ices' will be on site from 1.30pm.

Parents, grandparents and friends are able to sponsor a child for the event by either logging onto the parent section on the School's website, using the following link <https://townclose.com/donations/> or by handing in an envelope to either the Prep or the Pre-Prep office with the amount and name and form of the child on the front.

Thank you in anticipation for your support in what we hope will be an exciting addition to the Town Close calendar.

With very best wishes

Keith Parker
Deputy Head
