Nursery Curriculum information

Week Beginning: 9 July 2018

Dear Parents

This week in Nursery we have been talking about moving to Reception, practising for our Nursery assembly and talking about our summer holidays.

- On Monday, we had fun visiting our new Reception classes. The children all seemed very settled and had a lovely time. The Reception teachers came and had snack with the children and spent some in the Nursery. In the afternoon, we went for a long walk through the woods and saw the big marquee being erected in preparation for Prize Day.
- On Tuesday, we enjoyed some of our favourite nursery activities. The children created their own hair and beauty salon, played on the bikes and trikes, made potions and we practised our assembly in the Pre Prep hall.
- On Wednesday, we were very proud of the children in our Nursery celebration assembly. They were very brave to sing and talk in front of a large audience. We made England flag crackers using cream cheese and red peppers, England hat bands and enjoyed an end-of-year party in the afternoon.
- On Thursday, we had a wonderful time exploring Prep while the Prep children were at church. We went on a Dinosaur Explorer hunt. The children really enjoyed looking at a real knight's helmet in Mr Kendrick's classroom, playing African drums in the music room and listening to a story in the Prep library. In the afternoon we had a goodbye tea party.

We would just like to thank all the Nursery parents for your support throughout this academic year. We hope that all the children have a wonderful summer holiday and lots of fun in September and wish the older the children the best of luck in their new classes. We look forward to welcoming our younger Little Acorns back to Nursery in September.

We hope you have a lovely summer holiday.

With very best wishes from Mrs Harries, Mrs Hampsheir and the Little Acorns Teaching Assistants.
