

TOWN CLOSE SCHOOL

NORWICH'S FINEST PREP SCHOOL • FOR GIRLS & BOYS • 3-13 YEARS

Year 2 Curriculum information

Week Beginning: 9th July 2018

Dear Parents

We have had a very productive final week in Year 2! Our Norfolk research has been put to good use when completing our 'Visit Norfolk' leaflets or grids, and the children have enjoyed talking about their own favourite places in the region. Some children also created some super beach hut paintings as well as drawings of buildings such as Norwich Castle and Blickling Hall.

On Monday, the children had the opportunity to visit their new teachers and learn more about the transition to Year 3. In the afternoon, we were delighted to welcome many of you to join your children in Prep and take part in activities. Throughout the week, we have reflected on the progress each child has made and highlighted some of the successes of the year.

On Tuesday, we enjoyed our final Bird Family meeting of the term, in which we reviewed the year, talked about looking forward to changes in our lives and the importance of a growth mindset.

Our trip to Winterton was a great success and the children enjoyed the opportunity to be outdoors, digging and chatting with their friends. They played a range of games and competed to build the best structures out of sand. It was the perfect way to end a lovely year and the children represented the school in an exemplary manner.

We would like to take this opportunity to extend our thanks for the gifts and kind messages we have received this week. We have thoroughly enjoyed teaching your children and will continue to follow their progress through the school. We hope you enjoy a lovely summer break.

With best wishes for a relaxing summer with your children.

Mrs Hayes, Mrs Lawry, Miss Shepherd and Mrs Harries
