

7th September 2018

Dear Parents

Under 11 Hockey Club

Over and above our usual two afternoons of hockey practice per week, where all Year 5 and 6 girls receive committed coaching, we have the opportunity to have an extra 40-minute practice on Mondays after school aimed at those children who are particularly keen on hockey and who would like to extend their skills further.

All girls in Years 5 and 6 are warmly invited to an open session on Monday 10th September in the Sports Hall from 4.00pm – 5.00pm with myself and Mr Colman. If your child would then like to join the Monday Club at the Astro, please let me know by emailing shale@townclose.com. We will finalise the arrangements for the club next week when we know the numbers involved and communicate details to those families next Friday.

I am sure it will be an exciting season of hockey and I look forward to coaching your daughter.

Yours sincerely

Mrs Shane Hale
