Dear Parents

Year 3 Time and Tide Stone Age Trip

On Monday 1st October, Year 3 are visiting the Time and Tide Museum in Great Yarmouth, in order to further the pupils' knowledge of life in Stone Age Britain. The day will be separated into different activities, where the pupils will learn about areas such as building a Mesolithic shelter before a storm arrives, to tracking and hunting a deer with our hunter-gatherer.

The visit will take place during school hours and we will be travelling to the museum by coach. The day is based indoors, but with the possibility of some outdoor activity in the museum's courtyard. With this in mind, please would you ensure your child comes to school dressed in their school uniform and that they bring their raincoat to wear. They will also need to bring a small, named bag to carry their lunches and a named refillable water bottle. We ask that no food is brought as the children will have a school packed lunch provided.

Please contact me if you would like any further information.

Yours sincerely

Daniel Avenal
Head of Years 3&4
