

Dear Parents

Pupils' £1m Personal Accident Insurance Scheme

We are delighted to inform you that the School belongs to a pupils' personal accident insurance scheme which automatically includes all pupils once they start school with us. The attached leaflet gives details of the scheme.

We obviously hope that none of our pupils ever need to make a claim against this policy but feel it is vital that something is in place should the worst ever happen and a child suffer injury as a result of a personal accident. This applies to accidents that happen both in and out of school and is in addition to the liability insurance the School is obliged to have.

If you have a questions about the Scheme, please contact me either on 01603 620180 or at bursar@townclose.com.

Yours sincerely

Mrs Benita Ogg
Bursar
