5<sup>th</sup> October 2018

Dear Parents

### **Norwich Science Festival**

As part of Norwich Science Festival, Year 5 pupils will be visiting Norwich Cathedral on Monday 15<sup>th</sup> October for a morning of exciting science enhancement.

We will be attending an event called Science in a Sacred Place. The pupils will take part in a series of hands-on workshops including activities, experiments and investigations, all contained in and around the Cathedral.

We will be leaving school at 9.00am and will be walking to the Cathedral. Full school uniform will be required, but please consider the weather on the day and provide a waterproof if required. We will be returning before lunch, at around 1.00pm. Please ensure that your child has a named water bottle on the day as we no longer provide single use plastic water bottles.

This is a wonderful scientific opportunity for your child and I am sure they will have a rewarding and exciting experience.

Yours sincerely

Mr N Chapman  
Head of Science
