

14th December 2019

Dear Parents

Chess Club

I am pleased to inform you that your child has been accepted for a place in our new Chess Club. We had such an excellent response that, to enable all who applied to join, the club will be split into two groups. One group will attend on Alpha week and one will attend on Beta week. The attached document will show which group your child is in and what dates their sessions will be.

Just to remind you, the club will be run by Mr Andy Jarvis, a retired Norwich School teacher who is currently also running a chess club at a local primary school on a voluntary basis. The club will run on Tuesday evenings between 4.10pm and 5.15pm, when children will be available from the entrance of the Dearnaley building for collection.

Yours sincerely

Mr M. Woods
Head of PE and Activities
