

Year 1 Curriculum Information

Week Beginning: 10th December 2018

Dear Parents

We have had a wonderful last week of the year in Year 1. We have completed some craft activities, such as making and writing Christmas cards, sewing a stocking and decorating a bauble. We have also enjoyed filling in our Christmas activity books, which contained activities including word searches, spot the difference, several maths activities and colouring. We have enjoyed logging onto the computers and doing some Christmas computer-generated artwork. We visited Mrs Wootton in the library and chose a book to enjoy over the holidays. We had our last swimming lesson of the term with Miss Bryant and had lots of fun with the toys. We enjoyed party games in the hall on Monday as a year group, featuring some budding singers on karaoke! We went to Christ Church yesterday for our Pre Prep Christingle and carol service, and were so impressed with the attitude and engagement of all of the children. We have also undertaken a piece of independent writing, by retelling the story of 'The Greedy Dog'. It is fantastic to see the writing progress that the children have made since September across Year 1.

Over the holidays, your child may like to:

- Enjoy a rest with their family and friends
- Play lots of board games, which encourages turn-taking and counting on
- Practise reading and writing the set 3 and 4 red 'tricky' words, which were sent home in your child's book bag this week
- Complete any unused pages from the maths Abacus term one work books
