NORWICH'S FINEST PREP SCHOOL • FOR GIRLS & BOYS • 3-13 YEARS

Year 2 Curriculum Information

Week Beginning: 10th December 2018

Dear Parents

In our final week of term, the children have enjoyed a range of festive activities alongside their usual lessons. We have carried out assessments in mathematics and literacy to monitor progress and have consolidated learning across the curriculum. The children have learned about the history of the Christingle service and created some wonderful Christingles in readiness for the church service.

Applying what they had learned during this term, the children wrote letters to Father Christmas, giving examples of how they had been good this year and describing some of the things they may like to receive. All classes have created beautiful Bethlehem pictures using watercolour pencils, as well as calendars and Christmas cards.

Over the holiday

There will not be any formal work sent home for the holiday. We will assess every child's progress with reading and writing the common exception words, for Year 1 and 2, when we return in January. A copy of these can be found in your child's book bag. No doubt, the children will receive many wonderful books under the tree and we hope that some time each day may be found for reading.
