Dear Parents

## Year 4 Production

The children have been rehearsing really hard all term for *Rock Bottom* and have been busy making their own costumes. The majority of characters now know most of their lines for the production but can we ask that you spend time with your children over the break ensuring that they have learnt their lines and cues as well as the songs (second verses in particular). Scripts will not be permitted in any rehearsal next term.

With the performances at the end of the third week back, we start to rehearse more frequently on our return. All full cast rehearsals will take place during the School day but please could you check whether your child is needed after school for either of the Wednesday rehearsals. It would also be helpful if you could remind your child in the morning before school if they have any rehearsals that day.

The performance dates are Thursday 24<sup>th</sup> January (4:30pm) and Friday 25<sup>th</sup> January (6:00pm). All members of Year 4 will be expected to stay behind after school on both of those dates. If you are not attending the performance they can be collected from the foyer of the Dearnaley Building at 5:45pm and 7:15pm respectively.

Tickets are now available to book (free-of-charge) via the Parents Information Centre of the School website <https://townclose.com/parents/> click on the parents' booking system and enter the details you use for after school care/parents evening etc. You will find the tickets in the performance ticket area. The show is suitable for all ages although please bear in mind the running time is approximately 70-80 minutes without an interval so it may not be ideal for very young children. We hope to see plenty of family and friends supporting the children at one or both of the performances.

Please do not hesitate to contact me if you have any further questions

Yours sincerely

Mrs Maxine Rushton
