11<sup>th</sup> January 2019

Dear Parents

As you will see from the diary dates, we have secured a visit from the Happy Puzzle Company who are coming to the Pre Prep on Friday 8<sup>th</sup> February. They will be running workshops for all the children in Reception, Year 1 and Year 2. These workshops will be very practical and will encourage collaborative learning and interaction, whilst developing problem-solving and thinking skills through a variety of different puzzle-types and challenges.

As part of this event, the Happy Puzzle Company will be hosting a 'puzzle shop' from 3.15pm - 4.00pm in which a range of puzzles and activities can be purchased from their catalogue. You will find a voucher attached which you are welcome to use on the day; there is no need to print this out as the sales team will accept a digital version. If you are interested in seeing their products, you may like to visit their website in advance of the day:

We hope your children will enjoy the activities on offer and that they will gain skills and experience in problem-solving and collaborating, team-work, listening and thinking!

If you have any questions, do please contact Ms McCloy at [preprepsec@townclose.com](mailto:preprepsec@townclose.com)

Wishing you all a lovely weekend.

With very best wishes
