

'Beauty and the Beast' Costume List

We would like to give you ownership of your costumes, as you will feel more comfortable in items you have chosen (plus they will fit better than those we have in the limited school costume store!)

Please try to gather as many of the items for your part as possible, we can then raid the costume store for additional pieces.

The only exceptions are those highlighted items, which will be made from scratch, or adapted from clothing in the costume store.

Ensemble Costumes *(Children to provide as far as possible)*

ALL cast members will need a set of blacks to wear throughout the show. These need to be lightweight to allow for other items to be worn on top without anyone overheating!

Black long-sleeve t-shirt, black leggings or trousers, black socks and black shoes. No logos on show please.

All cast members will also need some 'villager' style items to add. These should be bright and colourful to contrast with the black.

Items such as: waistcoats, scarves, hats, skirts, etc.
