1st March 2019

Dear Parents

World Maths Day 2019

I am writing to give you details of our plans to celebrate 'World Maths Day', which takes place on Wednesday 6th March.

Pupils in Years 3 – 8 are invited to take part in a maths challenge, which will run from 9.00am on Wednesday 6th March until 6.00pm on Tuesday 12th March. To take part pupils will need to log into their SUMDOG account and answer 250 questions correctly within the timeframe. Any pupil reaching the 250 mark will receive a certificate from their maths teacher for completing the challenge.

In addition, teachers in both Prep and Pre Prep have organised a number of exciting enrichment activities that will take place throughout the day. These activities have been planned to help foster a positive attitude towards mathematics.

I look forward to seeing our pupils immersed in activities next week.

Yours sincerely,

Mr S. Lawry
