15<sup>th</sup> March 2019

Dear Parents

### Year 6 Mathematics Challenge

We have entered two teams of two children in the Norwich School's Year 6 Mathematics Challenge, taking place on Friday 22<sup>nd</sup> March at Norwich Lower School, and your child has been selected as a member of the squad. The teams will compete against other rival pairs, drawn mainly from schools in Norwich, in three sections of questions. Further details of the event, organised by DCBEAGLE Challenges, can be found by clicking [here](#).

We will be departing after morning registration and expect to return to Town Close by midday. Parents are most welcome to attend the event, although it may not be the greatest spectator sport! The prize giving will be at approximately 11am followed by light refreshments, provided by the host school.

Should you have any queries about this visit please do not hesitate to contact me. It will hopefully prove to be an exciting and thought-provoking morning.

Yours sincerely

Mr S Lawry  
Head of Mathematics
