Dear Parents

Fingerprint and Forensic Workshop

It is with great pleasure that I write to inform you that Year 5's will shortly be visited by Diane Ivory, a former Scotland Yard fingerprint and crime scene investigator. She will be delivering a fingerprint and forensic workshop on Tuesday 7th May to help build the pupils' analytical and scientific skills.

The workshop will be held in The Read Hall from 9.30am until lunchtime.

Pupils will be using the same techniques and equipment used by real life crime scene investigators. They will learn how to examine a crime scene just like a real detective, taking and identifying fingerprints. There are points awarded throughout and prizes given to the winners.

I hope that you agree that this will be an exciting and enriching experience.

Yours sincerely

Nick Chapman
Head of Science

Yours sincerely

A handwritten signature in blue ink that reads "Nick Bevington". The signature is written in a cursive style with a horizontal line underlining the name.
