

3rd April 2019

Dear Parents

Girls' Cricket Kit

As we approach the cricket season and with the introduction of hard ball cricket for U13 and U11A teams, I wanted to give you some information regarding clothing and equipment.

All girls have the option to wear white cricket trousers along with their Town Close white polo top, this is compulsory for the U13 and U11A teams. The trousers can be of any make or brand, but they must be all white with no county or club logos. These can be purchased at a reasonable price at any sports outlet.

At the moment, our uniform supplier 'Schoolblazer', provides cricket whites for boys, with a boy's fit. I will be in contact with them to discuss the addition of some 'girls' fit' whites in the near future.

As regards to cricket equipment, this will be supplied by the school. However, if your daughter has her own bat, helmet, pads, gloves or abdominal protector (female equivalent to a box) then she is welcome to wear them. Please can I stress that all equipment must be clearly named.

Please do not hesitate to contact me with any questions you may have.

Yours sincerely

Jacquie Wilcox
Head of Girls' Games
