

24th May 2019

Dear Parents

Reception Trip to Bressingham Steam and Gardens

As part of our planned summer topic, *Transport*, we are very much looking forward to visiting Bressingham Steam and Gardens on Wednesday 12th June. We will be leaving school at 9.30am (following a safety briefing) and will return to school in time for 'Stop and Collect'.

The day of our visit is a Steam Day at the venue, so we will be riding on a steam train through the gardens. We hope to explore the locomotive sheds to learn about steam engineering. We also hope to spot butterflies as we walk through their beautiful gardens.

Please use the checklist below to help ensure that your child is fully equipped to have an enjoyable and educational day. Your child should come to school in their school uniform. Please can you ensure your child also has the following items in school on the day of the trip.

- A named sun hat
- Fleece and jogging bottoms
- PE kit including navy shorts and white t shirt
- Trainers

Please apply long lasting sun cream before school and provide a named bottle should replenishment be needed later in the day.

The journey will be approximately an hour by coach so please let us know (either in person or by emailing Mrs McCloy) if your child has ever experienced travel sickness so that we can sit them at the front of the coach. If your child suffers from hay fever, please ensure that they have had antihistamine before coming to school.

Many thanks

Mrs Laing, Mrs Parker and Miss Knightly
