Dear Parents

Year 6 French Programme after half term

I am writing to tell you about how we intend to structure French lessons for Year 6 pupils after half term.

We are aiming to put the children into three groups (not forms or sets). Our aim is to cover much of the initial learning and general preparation for our language trip in September. Whilst we appreciate that some children will be moving on, the course content will be of a general nature and therefore of benefit to all.

The groups will be taught in rotation by Ms Vontzalidou, Mr Walker and myself. Ms Vontzalidou will be concentrating on clothing and personal equipment for holidays and trips; Mr Walker will be teaching the children about a range of free-time activities and associated vocabulary, and interpreting the timetable; and I will focus on vocabulary and phrases for use at mealtimes, interpreting menus and learning about the region we are visiting.

Please see the timetable below; the children will be told which groups they are in when we return from half term.

It should prove to be an interesting and stimulating learning experience for everyone. Please feel free to contact me if you have any questions.

Yours sincerely

Mr S. Hewitt
