Dear Parents

I am writing to offer you the opportunity to access some e-safety resources for your family that we hope you will find useful.

Our safety partner Gooseberry Planet have a parent area which you can create an account for, using this link: <https://system.gooseberryplanet.com/#/parent>.

There are a number of short videos for you to watch. The resources cover:

- Facebook and location settings as well as how to change your settings so that you only share information with friends.
- How to set up filtering with Google Safe Search and how to set up and change privacy settings on Instagram
- How to manage your in system preferences on your family sharing account on iTunes.
- Privacy settings and social media messaging on Roblox.
- Settings; how to block contacts and report abuse on Snapchat.
- Contact and online gaming preferences (friends only, or blocked) and Xbox live profiles as well as limitations on screen time.
- How to turn on restricted mode in YouTube.

I hope you find the information useful.

Yours sincerely

Mr Hughes
