

21st June 2019

Dear Parents

Year 7 Field Trip to Overstrand

The Year 7 pupils will be attending a morning field trip to Overstrand on Thursday 27th June 2019 to focus on coastal management and the effects of longshore drift, which are studied as part of the Common Entrance syllabus.

We will be travelling by coach and leaving promptly at 8.35am. We will be returning to school by 1.00pm for lunch. The children may bring a day sack with them to carry items such as sun cream, a hat, pencil case and non internet enabled camera if they have one (clipboards will be provided). No mobile phones or other electronic devices may be brought. **Please make sure that your child brings their own named water bottle with them.** There may be time to purchase an ice cream before we return to school - £5 spending money will suffice.

The children will need to wear their school uniform but will need to wear outdoor trainers. If you have any questions regarding this trip please feel welcome to email me.

Yours sincerely

Mr Andy Smith
Head of Geography
