

10 Facts about you, your family and your home

Use their, they're and there in your facts!!

their – belongs to them *they're* – they are *there* – there are/there is or over there

- 1 **There** are four people living in my house.
- 2 I have two sisters and **they're** older than me.
- 3 My sisters live in London and **they're** twins.
- 4 **There** are also two rabbits living in my house.
- 5 **Their** names are Coco and Ash.
- 6 **They're** miniature dwarf rabbits.
- 7 The room I zoom in is my dining room but **there** are others rooms I could use.
- 8 The garage would be too noisy as **there** are cars driving by near **there**.
- 9 On Friday night, we have restaurant night and pretend we are going out to a restaurant! We play music from around the world and pretend that we are **there**.
- 10 Everyone else has already had **their** choice drawn from the hat. This week is my choice and we will pretend to go to a Lebanese restaurant.
