|-----------------------------------------------------------------|--|
| Max, Cat, Ant and Tiger arrived late to visit the farm. | |
| The largest chicken was called Shelly. | |
| Tiger found that it was easy to milk the cow. | |
| Ant's watch began to crackle because it got wet. | |
| The children thought it was funny when Shelly escaped. | |
| Tiger thought it was a good idea for Max to creep up on Shelly. | |
| Shelly clucked proudly because she had laid an egg on the roof. | |
| Shelly wanted to eat a bread roll. | |
| Cat liked riding on Shelly's leg. | |
| Cat used her nose to press her watch. | |
| Shelly was happy to be back in her chicken pen. | |
