

Words that contain double letters

Many words contain two of the same letter.

The words below contain two consonants in the middle of the word.

woboble

puzzle

runny

Find the missing words for the sentences below. The word bank at the bottom might help.

Fill them in or write each sentence out on paper.

I hadn't seen my friend for a long time so I wrote her a _____.

I painted a picture and used the _____ paint to make the sun.

The weather was worse than we expected and the wind was _____.

I felt so _____ when we spoke to our family on the computer!

yellow

letter

horrible

happy

written

Now write two more sentences that use double consonant words.
