

Year 6 - Lesson 4 - Significant People in the History of Computing

Introduction:

You will need to print this document if you can so that you can write on it. If you cannot print, please use a piece of paper to write on.

PLEASE WRITE YOUR NAME	
------------------------	--

Task 1:

Read the document THE SIGNIFICANT PEOPLE IN THE HISTORY OF COMPUTING that is included with this lesson.

Task 2:

Refer to the document you have just read to try and answer the following questions:

1. Who invented technology enabling us to have Wi-Fi and Bluetooth today?
2. Who on the list of wealthiest people in the world is also known for his great philanthropy (love of humanity)?
3. What electric vehicle did Clive Sinclair invent?
4. In what year did Charles Babbage first describe his 'analytical engine'?
5. Who patented technology that went on to create the microchip?
6. When was the world's first website created?
7. What code did Alan Turing crack during the Second World War?
8. In what year was Steve Jobs born?
9. Who was named as 'Computer Science Man of the Year' in 1969?
10. In 2016 who was listed as one of the top ten most powerful people in the world?

Task 3:

See if you can find all of these computing terms and words in the word search.

CHARLES BABBAGE

ADA LOVELACE

ALAN TURING

HEDY LAMAAR

JACK KILBY

ROBERT NOYCE

GRACE HOPPER

BILL GATES

STEVE JOBS

CLIVE SINCLAIR

TIM BERNERS-LEE

MARK ZUCKERBERG
