Which is more:
3 x 5 =
Or
5 x 3=

8 x 5 = 80
True or false ?
Explain your reasoning.

Green: complete 4 of the worded problems. You may need to draw or use practical objects to help you. Also, write out the 5 x table in your book and try to learn.

Orange: complete as many as possible. Write the number sentence beside each question card as well as the answer.

Red complete as many as possible and write your own 5x table worded problems.
