

# HEADMASTER'S WEEKLY NEWSLETTER

## WELCOME BACK

Dear Parents

I would like to extend a very warm welcome to all families new to Town Close this year as well as those returning after the Summer break. It has been a delight meeting your children over the course of the last two days with their smiles, enthusiasm and energy lighting up the school and making my first week a highly enjoyable one.

I have met a good number of you already and look forward to getting to know you all over the coming weeks at various points, including the "Tea and Cake" events that we have planned. Thank you for making both my family and I feel so welcome within this wonderful community.

The first two days back have been full of activity, with the school slipping seamlessly back in to the routine of school life. Please do follow us on social media where you will get a great sense of all that is happening from day to day, including my highlight of the week where I was interviewed by children from Nursery and Reception on some far reaching questions.

In my weekly assembly, I spoke about many things but wanted to emphasise to the children the importance of Community, manners and standards. While there is always room for improvement, I know we are starting from a position of strength and have been impressed by the camaraderie, care and awareness prevalent within the children. I hope you all have an enjoyable and restful weekend.

With very best wishes
