ANTI-BULLYING POLICY v 2.5

What is bullying?

Bullying is the repeated wilful, conscious desire to harm, threaten or frighten someone - it can be physical or verbal. Any pushing, kicking, threatening, teasing or name-calling which happens repeatedly to make a child feel hurt, frightened and/or lonely is bullying. Racial or overtly sexual remarks may well be bullying as are comments about a disability. One off incidents will be responded to via our Behaviour Policy. In recent years cyber bullying has become prevalent via social media websites, text messages or photographs on mobile phones and email. Given the differing nature of cyber bullying, one off incidents will be treated as bullying.

Policy Statement

Although Town Close enjoys a happy and friendly atmosphere, there will be occasions when children are unhappy as a result of the behaviour of others. It is the School's policy that behaviour which causes distress to another person, whether intentional or thoughtless, may be regarded as bullying and is not acceptable. The seriousness of bullying must not be underestimated because it can lead to psychological damage and even potentially self harm and/or suicide.

Aims

- To encourage all pupils to respect one another.
- To ensure that all victims of bullying are aware of the support available to them, i.e. class teacher / tutor, external providers
- To provide support for the bully, also a victim, as we seek to modify his/her behaviour.
- To outline a variety of courses of action so that the School's response is appropriate to each separate incident, e.g. no blame policy.
- To structure the procedure in such a way that everyone knows what to do when an incident occurs.
- To ensure that everyone knows bullying is unacceptable at Town Close.
- To raise staff awareness so that the risk of bullying can be reduced.
- To raise children's awareness through the PSHE programme, "TheTown Close Way", assemblies etc.

General Statement

Cases of bullying come to light in numerous ways but, in all instances, children and/or parents are encouraged to report the matter to a member of staff. As far as possible, such a report will be treated as confidential.

On becoming aware of a bullying incident, a member of staff should intervene immediately to ensure the protection of the victim and perpetrator. Records of any bullying incident should be made using the School's MIS (iSAMS), selecting the bullying option. These records are carefully monitored by the Deputy Head (MW) for Prep Department pupils and the Pre Prep Head/Deputy Head for Pre Prep Department pupils. Thereafter, immediate consultation should take place with one of the Deputy Heads or the Deputy Head of Pre Prep to decide the appropriate response. It is very difficult to lay down appropriate sanctions because every case of bullying is different. Sanctions can range from a simple apology through to the Pupils' Disciplinary code being applied with expulsion in extreme cases. On occasion, a 'no blame' policy may be appropriate, especially at the first sign of a problem.

If disciplinary action is required, this may be administered by senior staff while, in extreme cases, the pupils and their parents will see the Headmaster, who will then decide on appropriate action. In all cases a record should be made of the incident on the School's MIS to enable patterns to be identified. The pastoral deputy will keep a log of all reported incidents.

Help, Support and Counselling will be given to both the victim and the bullies:

Victims are supported in some or all of the following ways:

- By offering them an immediate opportunity to talk about the experience with their class teacher/tutor or another adult of their choice, and bring a friend for support
- By informing their parents / guardians
- By offering continuing support

Bullies are helped in some or all of the following ways:

- By talking about what happened to discover why they became involved
- By informing their parents / guardians
- By endeavouring to dispel their prejudices as far as possible
- By taking one or more of the disciplinary steps described below to prevent further bullying

Disciplinary Steps (see School Behaviour Policy and Pupils' Disciplinary Code)

- They will be warned officially to stop offending and this will be recorded on the pupils iSams profile.
- Their parents will be informed, by phone if possible.
- They will be given an appropriate sanction such as lunchtime detention or internal exclusion
- For a serious incidence or repeated offences, they may be suspended for a fixed period or expelled from school.

Advice given to children who think they are being bullied

1. Generally it is best to tell someone straight away. It is right to raise your concerns.
2. Teachers will take you seriously and will deal with the bullies.

3. Try not to show that you are upset. This is hard, but a bully thrives on someone's fear.
4. Be proud of who you are. It is good to be individual. No-one deserves to be bullied; bullying is wrong.
5. Tell yourself that you do not deserve to be bullied and that it is **wrong**.
6. Fighting back may make things worse. If you want to fight back, talk to a teacher or parent/guardian instead.

Advice given to children who think another child is being bullied

1. **TAKE ACTION!**
2. Waiting and doing nothing looks as if you are on the side of the bully. It makes the victim feel more unhappy and on their own.
3. If you feel you cannot get involved, tell an adult immediately. Teachers have ways of dealing with the bully without getting you into trouble.
