

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents,

What a wonderful week it has been at Town Close with the magical elves hard at work creating amazing moments that we will all remember for a long time.

Today was a prime example as the Christmas Fayre was a huge success, with Christmas jumpers adding another fun dimension, all in support of our charity for the year, the Jenny Lind Children's Hospital. While there have been the usual array of other events in School, one or two are worthy of additional mention.

Music, and in particular individual lessons, has had a challenging time through the pandemic, a direct result of the complexities of the way lessons are taught, so it was a joy to see the return of the Christmas Ensembles Concert earlier this week. The standard of music played was outstanding, as was the confidence and self-belief of every performer. I do hope the concert and the weekly performances in the Headmaster's Assembly will inspire yet more children to pick up a musical instrument and discover the wonders of music.

Over the course of Wednesday and Thursday this week, the School played host to some very important people and animals as part of our Reindeer Trail. While we were thrilled that both Mrs Claus and Santa himself were able to visit us for a short period, I think having Dancer and Prancer with us stole the show. The children loved meeting the reindeer and getting the chance to feed them carrots, with the children in Pre Prep also picking up some class presents from Mr and Mrs Claus along the way.

I do hope you enjoyed the Christmas Fayre as much as I did and I am very much looking forward to the Nativity performances and the Carol Service that will be taking place next week. Please do read the letters on the Parent Portal for more details.

With best wishes
