

WEEK 2, JANUARY 21ST, 2022

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

What a week it has been for us all here at Town Close.

As I am sure you know, early on Monday morning we received the call to say that we were going to be inspected over the course of this week, something that is a requirement of all schools.

While making for a substantially busier week, it also provided us the opportunity to show off the School and all that we do to make this the happy, busy and vibrant place that we all know and deeply care for. My sincere thanks to you the parents for responding in such numbers to the survey, to the children for their engagement with the inspectors, but especially to the staff for all the hard work that they have put in, not just this week, but every week. We will keep you updated as to the outcome of the inspection, a process that typically takes 4-5 weeks to come to fruition.

Pleasingly, School life has continued to run as it always does, with a multitude of things going on, including the Year 5 trip to the Time and Tide Museum, Reception learning Spanish and Year 7 trying to win the "Who wants to be a Millionaire" Geography quiz. School plays are on the horizon, with "The Amazing Adventures of Superstan" first up this side of half term, for which rehearsals are in full swing.

Boy's Hockey and Netball have made a welcome return after an absence last year due to lockdown, with matches from Wednesday and today seeing a fine start to the season.

Finally, good luck to Eden in her role as one of the Von Trapp children in The Sound of Music currently playing at the Norwich Theatre, the reviews have been impressive to date.

I hope you all have an enjoyable and restful weekend and thank you all for your support this week.

With very best wishes
