

HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents,

Half term seemed to come and go in no time, but it does appear to have brought some calmer weather at last, following a period of storms. I sincerely hope that everyone got the chance for a little bit of rest and recuperation during the week off, in what has already been a very busy term to date.

Life at Town Close is never quiet with no end of learning happening in not only the classroom but also beyond, through the wonderful array of opportunities that happen throughout the course of the day. However, the happiness and joy that are permanently on the faces of the children tells the real story.

The Prep Department assembly this morning was very busy, but perfectly captured the buzz that is around School. We started with both Pearl and Eden regaling us with musical pieces, before we celebrated the sporting successes of the School across hockey, netball and cross-country. In addition, many individuals had achieved success in their chosen co-curricular pursuits over the course of half term, with certificates, medals and badges awarded for LAMDA, cheerleading, skiing and drama before announcing the individual winners from storytelling week. We finished with no less than 65 Headmaster's Commendations awarded over the last two weeks for outstanding work in the classroom.

The rest of the day has continued in a similar vein, with Nursery children, in their capacity as fire and police officers "interviewing" me in Pre Prep, Year 5 and 6 swimming squad impressing at lunchtime and multiple classes making full use of the grounds throughout the day.

Whatever the weekend may bring, I hope it carries as much joy as the last week has for us here at Town Close.

With best wishes
