

# HEADMASTER'S WEEKLY NEWSLETTER

Dear Parents

The Spring sunshine and warm weather has been a great tonic for us all, lifting spirits around the School. Seeing the outdoor space that is so abundant being used for lessons, sport, activities and just in general for playing within, has been a delight to see and raised the spirits of everyone.

Our thoughts as a community have been with those in Ukraine at this time and it was both impressive and heart-warming to see four girls in year 4 run an impromptu stall selling all manner of products to raise money for Ukraine, as well as to see the support of their peers in helping to raise £250. You will also find within the letters this week a whole school initiative to raise funds for Ukraine which I hope everyone will get behind, in addition to the Pre Prep 'Bakes and Books' sale next Thursday.

This week saw the Big Wheel Theatre Company entertain the top end of the Prep Department with their performance of "voulez-vous", an interactive French language play. Year 1-4 enjoyed the QR challenge around the woodland walk and wider aspects of the school, scanning codes to solve mathematical questions.

Additionally we have enjoyed the third week of the Norwich City FC four week healthy eating campaign, encouraged and supported the Year 3 and 4 house cross country runners and been regaled by our fine musicians at the Year 7 soloist's concert.

As we move towards the last week of term, I look forward to seeing some of you at the Spring variety show on Monday and wish the hockey tour all the very best for their tour to Nottingham.

In the meantime, I hope you all enjoy the fine weather.

With best wishes
